Promoting Safe Cycling Throughout Durham Region

Ministry of Transportation
3rd Floor, Ferguson Block
77 Wellesley Street West
Toronto, Ontario
M7A 1Z8

September 19, 2015

Attention: The Honourable Steven Del Duca, Minister of Transportation

Dear Minister,

Re: Email contact July 25, 2015 (attached)

The Durham Region Cycling Coalition (DRCC) sent you an email on July 25, 2015 attached to which was a letter expressing the concerns of the DRCC over the **lack of cycling infrastructure** associated with the construction of Highway 407, 412 & 418 east from Brock Road in Pickering. We received a standard email reply acknowledging receipt of the email but have not received any other response to the concerns that were raised.

We would respectfully request a response to our original letter as construction is underway and if upgrades are to be incorporated time is of the essence.

Yours truly,

Bruce MacDonald
