Re: Ron Lalonde, Durham Region Cycling Coalition Submitting Comments concerning
Report CNCL-23-132

This is in response to your correspondence of December 8, 2023 to Oshawa City Council concerning the above-referenced matter.

Oshawa City Council considered the matter at its meeting of December 11, 2023 and referred your correspondence to the respective report.

Later during the same meeting, City Council adopted the following recommendation concerning Report CNCL-23-132:

‘That based on Report CNCL-23-132 dated December 6, 2023 concerning resident appointments to Advisory Committees:

1. That the applicants listed in Confidential Attachment 2 be appointed to the respective Advisory Committees for the term as outlined or until such time as successors are appointed; and,
2. That the Terms of Reference for the Oshawa Animal Care Advisory Committee be amended set out in Attachment 1 to said Report to change the membership composition from nine Stakeholder Members and one resident Member to six Stakeholder Members and four resident Members and to change the meeting frequency from one meeting per month to one meeting per quarter; and,
3. That the resident Member applicants and Stakeholder Member organization listed in Confidential Attachment 3 be appointed to the Oshawa Animal Care Advisory Committee for the term outlined; and,
4. That the Oshawa Active Transportation Advisory Committee be disbanded, the remaining members thanked for their service, and their contact information be provided to staff to initiate a staff working group; and,

5. That staff investigate alternative methods for community engagement that would be less restrictive and more inclusive of idea sharing and brainstorming than the current Advisory Committees of Council model and report back to Council in 2024.'

If you need further assistance concerning the above matter, please contact me at the address listed below or by telephone at 905-436-3311.
