

May 12, 2024

Dear Durham Region Cycling Coalition,

On behalf of the R.H. Cornish SCC, I wanted to send you a note of appreciation following our Eco-Extravaganza event last week. We were so pleased with how the event went, mostly thanks to the amazing contributions of our community partners.

It is community partners like you that really bring together events such as these and we hope you will consider participating in future school events like this one.

Thanks again and have a great day!

Marc Matthews
