Advocating for Safe Cycling Throughout Durham Region

2024-06-29

ROAD WORKS AND CLOSURES

Columbus Road W, Whitby is now closed between Coronation Road. and Country Lane for the reconstruction of White Bridge. Construction will take approximately two years.

The suggested unsigned detour for cyclists: Country Lane - Brawley Road - Lake Ridge Road (paved shoulders).

Ashburn Road N, Whitby will be closed July 2 to July 6 for TransCanada Pipeline work.

Suggested detour: Brawley – Cochrane – Columbus.

Cedarbrook Trail, Whitby was recently resurfaced and has loose gravel on the surface not suitable for road bikes.

Thornton Road N, Oshawa Road works signage has been observed between Coates Rd. and Howden Rd. suggesting possible resurfacing works are pending. Lane closures and loose gravel surfaces are likely. We will endeavour to obtain more details and keep you posted
