TRAIL CLOSURES

The Waterfront Trail, Whitby

Please be aware that an upcoming waterfront trail closure is scheduled starting **September 3, 2024-May 23, 2025** between Forbes Street leading east to the Whitby/Oshawa boundary within Intrepid Park allowing for the installation of a new pedestrian bridge, demolition of the existing bridge, waterfront trail improvements and replacement of the existing wood boardwalk which are significant improvements to Whitby's Waterfront Trail system.

A map of the affected trail route is identified in red is below.

Unfortunately, the Town of Whitby has determined no safe cycle detour route is available during this construction period.

TransCanada Rail Trail – Uxbridge to Lindsay

The Kawartha TransCanada Trail Association has advised the rail trail between Eldon Rd. and Taylor Rd. will be closed pending a structural inspection of the bridge at Mariposa.

As such, they advise a cycle detour will be in place via Creswell Rd which is 400m to the south.
