Advocating for Safe Cycling Throughout Durham Region

---

**2024-09-05**

### **Conlin Road – Whitby**

- The Region will be closing the Conlin Road, between Thickson Road (Regional Road 26) and Garrard Road to complete final surface asphalt paving and road restoration as part of the watermain works.
- Weather permitting this is expected to happen on **Saturday September 7<sup>th</sup>**.

Following the Region's work, Conlin Road will be closed again:

- Conlin Road, west of Garrard Road to be closed for two weeks starting September 16<sup>th</sup>
- Conlin Road, east of Garrard Road to be closed for two weeks – starting when the west side has been reopened.

The intersection of Garrard Road and Conlin Road is expected to remain open at all times during construction.

Signage will be in place indicating the closure as well as identifying a detour.
