Advocating for Safe Cycling Throughout Durham Region

2024-09-07

WATERFRONT TRAIL CLOSURE – Wilmot Creek

Due to sewer main installation work by the Region of Durham, the Waterfront Trail between Service Road/Cobbledick Road and Toronto Street remains closed until November 11, 2024.

The Region has erected on-site signage to provide trail users with the necessary information to navigate an alternate route. Further information and future updates will be posted on durham.ca/WilmotCreek.
