WATERFRONT TRAIL CLOSURES - UPDATE

Oshawa – Farewell Street to Colonel Sam Drive

The latest information we have from the City of Oshawa is that they are currently carrying out a due diligence exercise for a new route from Farewell St. to Colonel Sam Dr. The City was unable to provide a time line as to when the redesigned trail will be opened. Our assumption is that it won't be until sometime in 2027.

Ajax – Ontoro Boulevard to Hoile Drive

A recent update from the Town of Ajax regarding our enquiry stated:

"The Town is currently finalizing the contract award with a new contractor for the waterfront trail repair project.

At this time, we anticipate construction activities will resume in August/September."

Given that the original closure was for the month of June our expectation is that it will be October before the work is completed and the trail reopened.
